

VISION OPTIQUE

2900 Wesleyan Street, Suite 100, Houston, TX 77027

NOW AVAILABLE

Come and experience the new eyewear with invisible hearing solution, that combines high-quality sound technology with stylish glasses

- 01** Do you have to strain to understand what people say?
- 02** Do family members tell you that you are not hearing what they say?
- 03** Do you have trouble hearing in a noisy place like restaurants?
- 04** Do people complain that you turn the TV volume up too high?
- 05** How would you rate your hearing from 1-10 (10 being excellent) ?

If you answered YES to any of the questions above, ask us about NUANCE Audio today!

Nuance Audio frames can be ordered with your eyeglass prescription and are indicated for patients with perceived mild to moderate hearing loss.

Clinical Study Opportunities

Doctors Lee, Owens, and Abraham are FDA certified Clinical Research Investigators. They work with eye care companies to bring you the newest treatment solutions.

Contact us if you and your children are interested in participating in paid studies for:

- Demodex Blepharitis
- Chronic Blepharitis
- Ocular & Facial Rosacea
- Myopia Control/Management
- Presbyopia and Astigmatism Contact Lenses
