

# VISION OPTIQUE

2900 Wesleyan Street, Suite 100, Houston, TX 77027

Summer is here!

## Considering FIRST TIME contact lenses?

This is the perfect time to schedule an appointment for your child's comprehensive, annual eye exam! Contact lenses can offer several benefits for children and teens when they're used appropriately and prescribed by an eye care professional.

Give your child:

- Freedom from glasses
- A Boost in self-confidence
- Great vision for sports and Summer activities

**SUMMER SAVINGS: CooperVision MyDay  
\$300 OFF Annual Supply**

*(\$225 CooperVision Rebate (for first time wearers) + \$75 VO Special)*

## Did you know that we can prevent your child's vision from getting worse?

Myopia, or nearsightedness, is becoming more common among children and it can progress quickly as they grow. Schedule an appointment to see if your child can benefit from FDA-approved myopia control MiSight lenses or CRT Ortho-K lenses.

### MiSight Daytime Contact Lenses

Ready to take on myopia  
**MiSight**

The world's first one-day soft contact lens proven to slow myopia progression by 59% in children

### Ortho-K Nighttime Contact Lenses
